Items Considered

Old Business:

Leroy Street and Oak Street Intersection. Mr. Berg reported that request for legislation will be coming from City Council.
Removed from agenda.

Mary Street and Sherwood Avenue. Ms. Marcia Huntoon of 152 Mary Street is requesting a barrier or guide rail to protect her property at the corner of Mary Street and Sherwood Avenue. She indicated that the request is based on numerous accidents and near accidents at that location. Traffic board requested additional follow-up with Ms. Huntoon. Mr. Correll reported that there were only two incidents at this location and it had nothing to do with the cars coming down the hill. The Traffic Division does not see a reason for a barricade at this location. Mr. Perkins asked why the stop signs are on Sherwood Avenue and not Mary Street when Mary Street is the more traveled route. He will take a drive to look at this location and Ms. Paddick will look into counts (in June) for this intersection as well. **Hold until Thursday, June 11, 2015 meeting.**

South Washington Street/Conklin Avenue Pedestrian Crossing. Concern was shown at the Public Information Meeting regarding the bridge work. Mr. Perkins noted the DOT would be willing to reinstall flashing lights at this location. Mr. Kraham and Ms. Paddick will look into this further. **DPW will install pedestrian signage / cone at intersection.**

Moved by B. Berg, seconded by R. Perkins
